About Us

We Himalaya Creations, are noteworthy manufacturer and exporter of knitted Garments like Mens Wear, Ladies Wear and Kids Wear for the past 20 years. These products are fabricated from supreme quality fabrics, which are procured from the reputed vendors of the industry. Our entire assortment has won accolades from all over the customers for its fine stitches, color fastness, longer life and shrinkage free features.

CREATIVITY

We strive to be global leader in fashion – knit and fashion outerwear by empowering innovation and design to provide total customer satisfaction. We endeavour to be a caring and well-managed organization for our business partners, customers and employees, and a responsible corporate citizen to our society.

GOAL

To innovate, to lead, to enhance, to provide best-value products and services to global customers. To make a difference through our branding to stay ahead of fashion trends, market changes and the latest technology. To enhance the quality of life for our business partners, customers and employees.

Manufacturing Facilities

Himalaya Creations is situated in its own building where all the cutting, stitching, Checking, ironing & packing process takes place in our two units.

Knitting

We Source and take extra care on fabric quality in knitting division to ensure high quality standards with our latest knitting machines from the worlds best manufactures. We can do all types of knitted fabrics as per our customer specification and style, which includes Single Jersey, Interlock, French Terry and all types of Ribs, Jackquard designs, Loop Knit, Fleece, Blended, Auto stripes.

We do all types of made-to-order garments for our valuable client base spread all over the world. While Knitwear is our core strength, we manufacture woven garments too. Our premium quality products enjoy great degree of customer satisfaction and timely deliveries.

Dyeing

Identifying the processing technics is a critical area for fabric quality, Himalaya Internationals has in place a sophisticated set-up of facilities for Yarn-Dyeing, Fabric Dyeing, Bio-Wash, Softening etc., the expertise of which is reflected on every garment manufactured. Fabric finishing is an important activity, which ensures the stability of a garment.

W:

softner wash, Bio-wash, Stone wash, Silicon Wash, in Garment Form, Mercerising, Stentering and Raising to provide you the best feel and finish of the fabrics

Printing

Himalaya creations has a long and established manufacturing capability for Pigment, Plastisol, Reactive, Foam, Discharge, Non-PVC, Flock, Glitter, Sticker, Combo prints etc.

Embroidery

We source a embroidery unit that has the latest and worlds best machines from the manufactures of Barudan, Tajeema. We can handle all type of embroidery designs with applique, sequences, etc.

Machineries Installed And Production Capacity

Garment sewing unit is done with proper lighting, good floor space and amenities. Legal and statutory norms with respect to social systems and physical facilities are provided. We have sewing machine powered and electronically controlled to sew quality garments to perfection, our production capacity is about 7,000pcs per day for Basic Tees and 5,000pcs per day for Polos.
